Ons Visie

LWOH se visie is om te sorg vir die minderbevoorregtes en hulle in staat te stel om 'n gevoel van menswaardigheid en doelgerigtheid in die lewe te ontwikkel.

Ons missie

LWOH streef daarna om behoeftige en verwaarloosde mense binne ons gemeenskap op grondvlak by te staan en lewensmiddele te voorsien aan diegene wat hulself in haglike omstandighede bevind.

Ons Doelstelling

Om die behoeftige, verwaarloosde en kwesbare mense in ons omgewing – veral die jeug en ouer persone - te help en te ontwikkel, deur die nodige ondersteuning aan hulle te gee, sodat hulle lewens en omstandighede daarby kan baatvind. Living Waters of Hope streef daarna om beskikbare kundigheid en bronne aan te wend tot die bevordering van ons missie. Ons meet nie noodwendig ons sukses aan hoeveel fondse in die najaag van ons doelwitte bestee is nie, maar ons probeer eerlik om ons pogings met integriteit en verantwoordelikheid te rig op die opheffing van behoeftige mense.

OUR PROJECTS

We encourage you to participate in developing and uplifting our community and promoting the dignity of all people. We believe if everyone helps his neighbour, we can change the world. Our projects include:

Sandwich drives

On a weekly basis we provide sandwiches to work-seekers in our community, waiting for job opportunities at street corners. A team member provides a weekly spiritual message which motivates the recipients to strive for the better and to trust for a hopeful tomorrow.

Old Age Homes

On a monthly basis we donate toiletries to the elderly at an old age home. Many of these individuals have been left without any family. Our team also pampers the elderly with foot treatments.

Food Drives

We give food to under privileged people in a nearby Informal Settlement. Living conditions of these individuals are dire and many of them rely upon meals that we provide. We focus on the elderly and children as they are the most vulnerable members of society who need nurturing. We please need your support to provide study and sport facilities to the children in this area.

Year end food parcels

During November of each year, grocery parcels are made up and donated to schools in the community, to provide for families in need during December holidays.

Winter Warmers

Facing the icy cold winter months without warm clothing is a reality for those less fortunate. We donate warm school wear to children, which includes windbreakers, hats and scarves.

ONS PROJEKTE

Ons nooi u om deel te neem aan die ontwikkeling en opheffing van ons gemeenskap en die bevordering van die waardigheid van alle mense. Ons glo eerlik dat as elkeen sy naaste bystaan, kan ons die wêreld 'n beter tuiste vir alle mense maak. Ons projekte sluit die volgende in:

Toebroodjie-uitreik

Op 'n weeklikse basis verskaf ons toebroodjies aan werksoekers wat wag vir werks geleenthede by straathoeke in ons omgewing. 'n Spanlid bring eers 'n inspirerende geestelike boodskap, wat die toehoorders motiveer om die goeie na te streef en om hoop te behou vir die toekoms.

Tehuis vir bejaardes

Op 'n maandelikse basis skenk ons toiletbenodigdhede aan senior persone in 'n nabygeleë tehuis vir bejaardes. Sommige van hierdie bejaardes is werklik hulpbehoewend, deurdat daar nie familielede is wat in hul belangstel nie. 'n Spanlid verskaf voetbehandelings aan inwoners wat dit benodig.

Voedsel-uitreik, studie- en sportfasiliteite

Ons verskaf voedsel aan minder bevoorregte mense in 'n nabye informele nedersetting. Lewensomstandighede vir die meeste van hierdie inwoners is uiters karig en baie van hulle maak staat op die maaltye wat ons voorsien. Ons fokus op die ouer persone en kinders, omdat hulle die mees kwesbare lede van die samelewing is en versorging benodig. Bo en behalwe voedsel-voorsiening, vra ons ook u ondersteuning in ons strewe om studie- en sport-fasiliteite vir die kinders in hierdie omgewing te help vestig.

Einde van die jaar-voedselpakkies

Gedurende November elke jaar word pakkies met kruideniersware opge-maak en na geselekteerde skole in die gemeenskap geneem. Sodoende word behoeftige gesinne ten minste vir 'n deel van die Desembervakansie iets te ete gebied.

Back to school requisites

Children in our community are in dire need of school requisites. The average learner lacks the basic essential supplies that are needed for a meaningful educational experience at school. Parents are unfortunately not in a position to provide the quality and quantity of supplies needed. Living Waters of Hope has responded to this need and facilitates the donation of school requisites to needy and deserving children.

Support services

Food parcels are made up according to the particular need of individuals and families who apply for assistance. In some instances, financial support is provided to families who have recently lost their only source of income. Afflicted families are rated according to a set of criteria and financial support may be allocated to such a family in need.

Winterwarmte

Om die ysige wintermaande sonder warm klere aan te durf, is 'n werklikheid vir heelwat minderbevoorregte mense. Ons skenk warm skoolklere, soos baadjies, musse en serpe aan sulke kinders.

Terug-skool-toe-skryfbehoeftes

Daar is kinders in ons omgewing wat 'n ernstige behoefte aan basiese skryfbehoeftes het. Ouers is nie altyd in staat om dit te bekostig nie. In oorleg met 'n paar skole het Living Waters of Hope hierdie behoefte raakgesien en word 'n aantal behoeftige kinders wat geïdentifiseer word, jaarliks van die nodige skryfbehoeftes voorsien.

Ondersteuningsdienste

Ooreenkomstig die behoefte van individue en gesinne wat aanklop om hulp, word voedselpakkies vir hulle opgemaak. In sommige gevalle word finansiële steun gegee aan gesinne wat hulle enigste bron van inkomste verloor het. Geaffekteerde gesinne word ge-evalueer met behulp van 'n stel kriteria en geldelike hulp kan aan so 'n gesin in nood toegestaan word.
